Step-by-step instruction

HOW TO TRANSFORM YOUR SHOE BOX INTO A REAL TREASURE

- 1** Use a shoe box that meets **these dimensions**. Make sure the box is no higher than 12 cm and no longer than 34 cm. Then also check that the width + length is between 46 and 56 cm.
- 2** Who are you making this box for? Write this on the slip on the back side, cut the slip and fix it on top of the box.
- 3** Decorate the box and fill it nicely with things from the checklist on the right. **Remove unnecessary packing material** from the items. Why don't you take a look at the thrift store (schoenendoosactie.nl/duurzaamheid). Do not seal the box but use a rubber band.
- 4** Donate €5 for transport and organizational costs. Please use attached envelope and place it under the rubber band. Online payment can also easily be done via the QR code on the envelope.
- 5** Hand in the box at your local committee or take it to a collection center (schoenendoosactie.nl/inleveren).

Please remove
all plastic
packaging from
your items

Add a nice card or a picture of yourself. The kids often like that very much!

This is **KIRIL (9)** from Moldoveanca, a village in poor Moldova. When he received a shoebox on his birthday, he said: **"What a surprise, it's my birthday!"** His sister Xjusha also got a present. The children beamed with joy and showed each other the beautiful things. Receiving toys just like that, hardly ever happens!

THE JOURNEY OF YOUR SHOE BOX

When your shoe box is ready it travels first to the nearest collection station. From there it goes to a processing center. An important place, because this is where we check the content. Now it is time for the long trip by boat or truck to one of the countries. That's where your treasure is received by a child! In countries where it is permitted, we also distribute booklets with Biblical stories.
